PETER FENTON

The game of cricket has inspired cricket verse since the mid-1700s. Cricket verse romanticises cricket, its personalities and culture. Peter Fenton went to the Sydney Cricket Ground after World War II with his father and was captivated by what he saw. There was Miller and Lindwall, Morris and of course, Bradman. Since those early years, Fenton has put his thoughts and observations into verse. Here we have 15 pieces that truly put cricket and its players into a different frame. *Cricket in verse.*
